Attachment A: DCMA Change-of-Name Agreement

Conversion and Name Change Agreement

STG LLC ("Contractor"), a limited liability company duly organized and existing under the laws of the Commonwealth of Virginia, STG, Inc., a corporation organized under the laws of the Commonwealth of Virginia, and the United States of America ("Government"), enter into this Agreement as of July 31, 2018.

(a) The parties agree to the following facts:

(1) The Government, represented by various Contracting Officers of the Department of Defense and other United States Government agencies, has entered into certain contracts and purchase orders with STG, Inc., as shown in the attached list marked "Exhibit A" and incorporated in this Conversion and Name Change Agreement (the "Agreement") by reference. The term "the Contracts," as used in this Agreement, means the contracts listed in Exhibit A and their respective delivery/task/purchase orders and all other contracts and their delivery/task/purchase orders, including all modifications and delivery/task/purchase orders, made by the Government and the Contractor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Contractor has any remaining rights, duties, or obligations under these contracts and purchase orders).

(2) STG, Inc. on July 31, 2018, by Articles of Entity Conversion, dated July 31, 2018, converted from a Virginia corporation to a Virginia limited liability company of the same name.

(3) The Articles of Entity Conversion accomplish a conversion of the corporation from a Virginia corporation to a Virginia limited liability company with a change of corporate name; all rights and obligations of the Government and the Contractor under the Contracts are unaffected by these changes.

(4) STG LLC has retained all the assets of STG, Inc. by virtue of the above conversion.

(5) STG LLC has retained all obligations and liabilities of STG, Inc. under the Contracts by virtue of the above conversion.

(6) STG LLC is in a position to fully perform all obligations that may exist under the Contracts.

(7) It is consistent with the Government's interest to recognize STG LLC as the successor party to the Contracts.

(8) Documentary evidence of the conversion and change of corporate name has been filed with the Government.

(b) In consideration of these facts, the parties agree that --

(1) STG LLC confirms that the conversion from STG, Inc. to STG LLC was properly effected under Delaware law on August 6, 2018.

(2) STG LLC agrees to be bound by and to perform each contract in accordance with the conditions contained in the Contracts. STG LLC also assumes all obligations and liabilities of, and all claims against, STG, Inc. under the Contracts as if STG LLC were the original party to the Contracts.

(3) STG LLC ratifies all previous actions taken by STG, Inc. with respect to the Contracts, with the same force and effect as if the action had been taken by STG LLC.

(4) The Government recognizes STG LLC as STG, Inc.'s successor in interest in and to the Contracts. Through the conversion, STG LLC became entitled to all rights, titles, and interests of STG, Inc. in and to the Contracts as if STG LLC were the original party to the Contracts. The Contracts covered by this Agreement are amended by substituting the name "STG LLC" for the name "STG, Inc." wherever it appears in the Contracts, effective August 6, 2018;

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against STG, Inc. should the conversions and name change prove invalid.

(6) All payments and reimbursements previously made by the Government to STG, Inc., and all other previous actions taken by the Government under the Contracts, shall be considered to have discharged those parts of the Government's obligations under the Contracts. All payments and reimbursements made by the Government after the effective date of this Agreement in the name of or to STG, Inc. shall have the same force and effect as if made to STG LLC, and shall constitute a complete discharge of the Government's obligations under the Contracts, to the extent of the amounts paid or reimbursed.

(7) STG LLC agrees that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the conversion or this Agreement, other than those that the Government in the absence of this conversion or Agreement would have been obligated to pay or reimburse under the terms of the Contracts.

(8) The Contracts shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement effective as of the day and year first above written.
